*Albemarle EMC is an equal opportunity
provider and employer.*

Your Touchstone Energy® Cooperative 
The power of human connections®

New Protection Implemented

A glass barrier was recently installed in the Albemarle EMC lobby.

The barrier is designed to prevent the spread of germs and viruses between customer service representatives and members. The glass has small openings at the bottom that enable paperwork to be exchanged. The glass will be cleaned and disinfected regularly.

“We want our members to feel safe when entering our lobby to conduct business with their cooperative,” said Gary Ray, general manager of Albemarle EMC.

Shade Trees Save Power

A shade tree planted on the south side of a house can save as much as 20 percent on cooling costs.

New Equipment Adds Capability

Albemarle EMC lineman Matt Byrum operates a new excavator the co-op purchased in February.

Albemarle EMC recently added a new piece of equipment that is significantly enhancing the co-op's capability.

The Kubota U35-4 mini-excavator is being used to dig trenches for underground power lines. The excavator excels in soil that is too soft for the co-op's trencher. The excavator is also compact, enabling it to operate in tight spaces.

“The cab of the excavator is no wider than its tracks, so it can work pretty much anywhere it will fit,” said AEMC Crew Leader Bobby Upton.

Nominations Open for Board Candidates

The Albemarle EMC Board of Directors recently appointed a nominating committee for the purpose of nominating a slate of candidates for this year's board of directors elections.

Qualifications to be nominated to run for a seat on the board are listed in the

bylaws summary below.

Qualifying members who wish to be nominated should call the cooperative at (252) 426-5735 or email chris.powell@aemc.coop in order to receive the name and address of the nominating committee members they will need to

contact. The nominating committee will meet in mid to late July.

Incumbents up for election this year are Tony Webb, Chowan; L.A. Harris, Pasquotank; and Thelma Finch-Copeland, Perquimans.

Bylaws Relevant to Nomination of Directors

Section 4.03 Directorate Districts

Directors shall be nominated and elected in a manner such that the Board shall be comprised of two Directors from each of the four Directorate Districts, designated one (1) through four (4) inclusive and one Director from Directorate District Number five (5) as follows:

Section 4.04 Qualifications

To become or remain a Director, a Person must comply with or meet the following:

- (a.) Have the capacity to enter legally binding contracts;
 - (b.) Be a Member of the Cooperative;
 - (c.) Reside principally in the Directorate District from which a Director is to be chosen, and continuously and materially use, receive, or purchase electric energy from the Cooperative at the Member's primary residence;
 - (d.) Possess a valid high school diploma or equivalent certification; and
 - (e.) Must not have been convicted of a felony, a crime involving moral turpitude, or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.
- A Member shall be disqualified from being or remaining a Director, as a result of a conflict of interest, if:

- (a.) The Member is a current, former, or retired employee currently receiving any benefit from an electric supplier or is the spouse of a current, former, or retired employee currently receiving any benefit from an electric supplier; provided, however, a former employee who is not a retiree currently receiving any benefit from the Cooperative and has not worked for the Cooperative

within seven (7) years of the date of the relevant Director election or selection is not disqualified;

- (b.) The Member is a Close Relative of a current Director or of an employee of an electric supplier;
- (c.) The Member is employed by, materially affiliated with, or shares a material financial interest with any other Director;
- (d.) The Member is or has been employed by, materially affiliated with, or has a material financial interest in any individual or entity which regularly, directly or substantially competes with the Cooperative or its subsidiary or affiliates, including investor-owned utilities or municipalities providing similar services provided by the Cooperative, unless the person has not been so employed or affiliated with the individual or entity for a period of at least seven (7) years from the date of the Director election or selection;
- (e.) The Member is employed by, materially affiliated with, or has a material financial interest in any individual or entity which regularly sells goods or services to the Cooperative or any Cooperative subsidiary or affiliate; and
- (f.) The Member seeks or applies for employment with the Cooperative. Any Director seeking to be employed by the Cooperative must submit his or her Board resignation prior to such time as he or she submits an application for employment or otherwise solicits the Cooperative for such employment.

If it is determined that any person being considered for or currently holding a position on the Cooperative's Board of Directors lacks eligibility under this Section, it shall be the duty of the Board of Directors to withhold such position from such person, or to cause him/her to be removed therefrom, whichever be the case. Nothing in this Section contained

shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the disqualified Directors has an interest adverse to that of the Cooperative.

Section 4.05 Nominating Committee

The Board of Directors shall appoint, not less than sixty (60) nor more than one hundred and thirty (130) days before the date of the meeting of the Members at which Directors are to be elected, a Nominating Committee consisting of an uneven number of Members of the Cooperative, not less than five (5) nor more than eleven (11), who are not current Directors and who are not Close Relatives or Members of the same household of current Directors or known candidates. In selecting the Committee, the Board shall have regard for equitable representation of the five (5) Directorate Districts of the Cooperative.

At least thirty (30) days before the annual Member meeting, the Committee shall meet and prepare and post at the principal office of the Cooperative, a list of nominees for Directorate Districts to be elected, listing separately the nominee or nominees with respect to each Directorate District for which a Director must, pursuant to this Article, be elected at the meeting. The Committee shall include at least one (1) nominee for each Directorate District for which a Director is to be elected, including their name, address, and Directorate District of residency. The Committee's posted list shall also clearly show which nominees are opposed with respect to the same Directorate District.

Albemarle EMC is at Your Service

How Albemarle EMC works to provide its members with the highest-quality service possible.

Unclaimed Capital Credits

Below is the list of unclaimed capital credits checks that were returned by the postal service, marked "undeliverable as addressed." The list is also located at www.aemc.coop. If you see someone's name on either list, please have them call our office at (252) 426-5735. We'll need to update their mailing address so we can reissue their checks. If the person is deceased, the person that handled their estate needs to call so we can send them the appropriate form to apply for an estate refund.
