Help Beat the Peak!

You can help your co-op by reducing power consumption when you receive a Beat the Peak text notice during times of extreme temperatures.

By delaying cooking or taking a shower during these periods, you help your co-op reduce its monthly wholesale power costs.

This is your official notice of the Albemarle EMC Annual Meeting, which will be held Saturday, Sept. 20 at the Perquimans County Recreation Department, located at 310 Granby St., Hertford. Registration will begin at 10:30 a.m., and the meeting will begin at noon.

Members will have the option of voting for director candidates using a drive-through process or attending the traditional in-person meeting.

"It is important for members to attend their cooperative's annual meeting," said Kevin Heath, general manager for Albemarle EMC. "These meetings enable members to play a part in the future success of the cooperative."

Your registration information will be located on the cover of the September Carolina Country magazine. To facilitate registration, please remove that page and bring it with you to the Annual Meeting. All attendees, including those who vote from their vehicles, will receive a \$2 bill, participation gift and bag lunch.

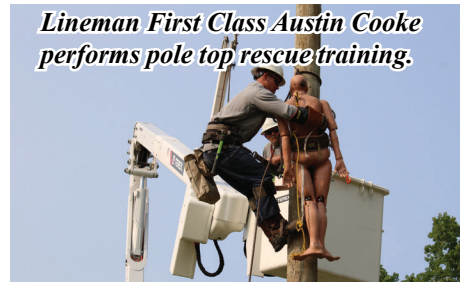

Those who attend the in-person Annual Meeting will hear reports from the cooperative's president and general manager.

Following the election of directors,

drawings will be held for cash prizes. Members only need to attend the in-person meeting for the most senior-man and senior-woman-in-attendance prizes. Members do not need to attend the in-person meeting inside the building to be eligible for the prize drawings.

Linemen Train to Rescue

Lineman First Class Austin Cooke performs pole top rescue training.

Albemarle EMC linemen recently participated in annual training that simulates rescuing an injured lineman from a pole and bucket.

To perform pole top rescue, a lineman must make a distress call over the truck's radio, retrieve his climbing gear, run to the pole, then don all of the climbing gear and protective equipment. The lineman must then climb the pole and rig a rope to lower the training dummy down to the ground. After detaching the climbing belt, the lineman must then remove his gloves and spurs and administer CPR.

The linemen with the three best times were Matt Byrum, two minutes, 19 seconds; Drake Trueblood, two minutes, 52 seconds; and Cody Stokely, three minutes, ten seconds. Byrum qualified to compete in the statewide pole top rescue competition to be held in October at Nash Community College.

Educators Have Chance to Win \$100

Attention, K-12 teachers! Back to school season is here, and so are Bright Ideas education grants. Do you have an idea for an innovative, hands-on classroom project that will engage and excite your students? Apply for a Bright Ideas grant through Albemarle EMC to help bring your project to life!

Teachers who submit applications by the early bird deadline of Aug. 15 will be entered to win one of five \$100 gift cards.

Albemarle EMC will be awarding more than \$16,000 in Bright Ideas grants this year to local educators to fund innovative projects that enhance classroom learning. The final deadline to apply is Sept. 15.

For more information or to start your application, visit NCBrightIdeas.com.

Bylaws Regarding Albemarle EMC's Annual Meeting

Section 3.01 Annual Meeting

For the purposes of electing directors or announcing the results of the election of directors, hearing and passing upon reports covering the previous fiscal year, and transacting such other business as may properly come before the members, an annual meeting of the members shall be held during September or October of each year, at such place in one of the North Carolina counties served by the cooperative, and beginning at such hour, as the board of directors shall from year to year fix. Failure to hold the annual meeting at the designated time and place shall not work a forfeiture or dissolution of the cooperative.

Section 3.03 Notice of Member Meetings

Written or printed notice of the place, day, and hour of a member meeting, and, in the case of a special member meeting or of an annual member meeting at which business requiring special notice is to be transacted, the purpose or purposes of the meeting, shall, except as provided otherwise by these bylaws, be delivered by mail to each member entitled to vote not less ten (10) nor more than forty calendar days (40) before the date of the meeting.

If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to each member at the address appearing on the cooperative's records, with postage thereon prepaid and postmarked within the time period set forth herein. In making such computation, the date of the meeting shall not be counted.

Such notice shall be by or at the direction of the Secretary or, upon the Secretary's default in this duty, by any other director.

The incidental failure of any member to receive such notice shall not invalidate any action which may be taken by the members at any such meeting, and the attendance in person or by proxy of a member at any meeting of the members shall constitute a waiver of notice of such meeting, unless such attendance shall be for the express purpose of objecting to the transaction of any business or one or more items of

business, on the ground that the meeting was not lawfully called or convened.

If a written notice or report is part of a newsletter, magazine, or other publication regularly sent to members and addressed or delivered to the addresses shown in the cooperative's membership List, such notice or report constitutes written notice sufficient to fulfill the notice required hereby. Any member who desires to ask a question during the annual meeting must submit their inquiry in writing at the cooperative's main office located at 125 Cooperative Way, Hertford, no later than 10 days prior to the published annual meeting date.

Section 3.06 Credentials and Election Committee

The board of directors shall, at least thirty (30) days before any meeting of the members, appoint a Credentials and Election Committee consisting of an uneven number of members, not less than four (4) nor more than eleven (11), who are not directors, cooperative employees, close relatives (as that term is defined in Section 11.01 of these bylaws), members of the same household of existing directors, cooperative employees, or known candidates for directorships to be voted upon at such meeting. In appointing the committee, the board shall have regard for equitable representation of the five (5) directorate districts served by the cooperative. It shall be the responsibility of the Credentials and Election Committee to:

- (a.) Elect its own chairperson and secretary prior to the member meeting;
- (b.) Decide issues arising hereunder with respect to director qualifications;
- (c.) Establish or approve the manner of conducting member registration and any voting;
- (d.) Pass upon all questions that may arise with respect to the registration of members in person or by proxy;
- (e.) Count, or supervise the counting of, all ballots cast in any election or in any other ballot vote taken;
- (f.) Rule upon the effect of any ballots or votes irregularly or indecisively marked; and
- (g.) Pass upon any protest or objection filed with respect to any election or to conduct affecting the results of any election or voting.

Unclaimed Capital Credits

Below is the list of unclaimed capital credits checks that were returned by the postal service, marked “undeliverable as addressed.” The list is also located at www.aemc.coop. If you see someone’s name on either list, please have them call our office at (252) 426-5735. We’ll need to update their mailing address so we can reissue their checks. If the person is deceased, the person that handled their estate needs to call so we can send them the appropriate form to apply for an estate refund.
